In pursuance of the provisions of sub-section (3) of section 81 of the Government of India Act, the following Act of the Local Legislature of Madras having been assented to by the Governor on the 23rd April 1933 and by the Governor-General on the 15th May 1933, is hereby published for general information:—

ACT No. XVI OF 1933.

An Act to provide for the levy of water-cess on lands irrigable from the Bhanani Reservoir.

WHEREAS the Government propose to construct a reservoir on the Bhanani river near its junction with the Moyar river in order to provide water to supplement rainfall for the irrigation of dry crops;

AND WHEREAS it is necessary in order to safeguard the Government revenue that the payment of water-cess in respect of all lands the irrigation of which from the reservoir is permitted should be made obligatory whether the water is taken or not;

AND WHEREAS the previous sanction of the Governor-General has been obtained to the passing of this Act;

It is hereby enacted as follows:—

1. (1) This Act may be called the Bhavani Reservoir Irrigation Cess Act, 1933.

Short title,
extent and
commence-
ment.

(2) It extends to all lands the irrigation of which from the Bhavani Reservoir (hereinafter called the reservoir) is allowed by or under the orders of the Local Government but does not extend to any land which on the date this Act comes into force is entitled to irrigation with water of the Bhavani river, or any other source belonging to or constructed by the Local Government.

(3) It shall come into force on such date as the Local Government may by notification in the Fort St. George Gazette appoint.

2 Notwithstanding anything contained in the Madras Irrigation Cess Act, 1925, it shall be lawful for the Local Government to levy every such water-cess on all lands the irrigation of which from the reservoir is allowed by or under the orders of the Local Government, whether such lands are actually irrigated with water from the reservoir or not; and the Local Government may by rule prescribe the conditions under which and the rates at which such water-cess shall be levied:

levy of
water-cess on
lands allowed
to be
irrigated
from the
Bhavani
Reservoir.

Madras Act
VII of 1925.

Provided that water-cess shall not be levied under this Act on any land unless a permit has been issued in respect thereof under section 3 and unless such permit is in force.

Provided further that the rate of water-cess charged under this Act shall in no case exceed nine paise per acre.

3. (1) Permits shall be issued in respect of all lands the irrigation of which from the reservoir is allowed by or under the orders of the Local Government.

Permits.

(2) Every such permit shall be issued by such authority and shall be in such form as the Local Government may by rule prescribe and shall specify the conditions under which the land in respect of which it is issued may be irrigated, and in particular the period in every year during which such land may be irrigated and the source through which water may be taken for such irrigation:

Provided that where the Local Government by notification in the district gazette so direct a permit shall not be issued under this sub-section in respect of any land after the date specified in such notification in that behalf except on payment of such fee and on such other terms and by such authority as the Local Government may by rule prescribe.

(3) Every permit issued under sub-section (2) shall be served on, or tendered to, the registered holder of the land in respect of which it is issued, in such manner as the Local Government may by rule prescribe.

(4) The registered holder may, within three months from the date on which the permit is so served on, or tendered to, him, apply to the Collector of the district for the cancellation or modification of the permit on the ground that it is not advantageous to irrigate such land or any specified portion thereof either on account of the rate of water-charge prescribed by the Local Government or for any other reason such as the unavailability of the water for the soil or for the crop usually grown on the land. Against the order of the Collector on such application, the registered holder may, within three months from the date of the order, appeal to the Board of Revenue which may pass such order on the appeal as it thinks fit. The registered holder shall not be entitled to call such permit in question except in the manner provided in this sub-section.

(5) Any permit issued under this Act may, by order, be cancelled or modified at any time by such authority as the Local Government may by rule prescribe.

(6) Every permit issued under this Act with such modifications, if any, as may be made therein under sub-section (4) or sub-section (5) shall—

(c) remain in force until it is cancelled under either of the said sub-sections; and

(b) be binding on the registered holder as well as the owner of the land, for the time being.

4. The provisions of sections 1-A and 2 of the Madras Irrigation Cess Act, 1865, shall apply to the levy of water cess under this Act as if it were a cess levied under the Madras Irrigation Cess Act, 1865.

Madras Act
73, of 1933

Sections 1-A
and 2 of the
Madras
Irrigation
Cess Act,
1865, as

5. No civil court shall take cognizance of any suit or proceeding brought by any person questioning the rate of water cess levied under this Act or the liability of any person to pay such cess or any order passed under section 3.

Exclusion of
jurisdiction
of civil
courts.

Provided that nothing in this section shall prevent any person from obtaining in the civil court any relief to which he may be entitled on the ground that he is not liable to pay any such cess because he is neither the registered holder nor the owner of the land in respect of which the levy has been made or on the ground that the land in respect of which the levy has been made is entitled on the date on which this Act comes into force to irrigation with water of the Bhavani river, or any other source belonging to or constructed by the Government.

6. The Local Government may, by notification in the Port St. George Gazette, make rules consistent with this Act to carry into effect the purposes thereof.
